EDUCATION

University of California, Irvine

Sep. 2024 - May 2027

B.S. Informatics | Donald Bren School of Information and Computer Science

- Honors: Dean's List (Spring & Fall 2025, Winter 2026)
- Relevant Coursework: UX/UI Design (Informatics 131, 132, 133), Software Engineering (Informatics 43), Software Design (Informatics 121), Python (ICS 31-33), Java (ICS 45J)

PROJECTS

UCI Project Team for Design - UX/UI Designer | Irvine, CA

April. 2025 - Jun. 2025

- Built a news verification platform that helps users identify credible sources and evaluate political news
- Collaborated in a team setting to deliver user-centered design solutions
- Presented final designs and incorporated feedback into iterative improvements

Informatics 132 UX/UI Course Project - UX/UI Research and Designer | Irvine, CA

Jan. 2025 - Mar. 2025

- Designed a concert discovery app that aggregates events and helps users find shows and connect with others
- Completed full UX design process: discovery → research → ideation → prototyping
- Delivered final presentation and case study demonstrating usability insights and outcomes

WORK EXPERIENCE

Emerald City Gymnastics Academy - Recreational Coach | Redmond, WA

Sep. 2020 - Sep. 2024

- Coached 60+ children weekly across Girls, Boys, Preschool, and Adaptive (Special Education) classes
- Led structured lessons emphasizing proper technique and coordination, adapted to varying ages and skill levels
- Maintained a safe learning environment while managing behavior and supporting individual athlete growth

LEADERSHIP & EXTRA CURRICULAR ACTIVITIES

Kappa Alpha Theta - Merchandise Director | Irvine, CA

Jan. 2025 - Jan. 2026

- Designed original sorority merchandise using Adobe Illustrator
- Managed preorders, inventory, and sales for over 100 members
- Collaborated with members to understand preferences and deliver appealing designs

Code Purple Robotics - Marketing Committee | Kirkland, WA

Sep 2023 - Jun. 2024

- Contributed to marketing sub-team to design and implement data-driven business and branding strategies
- Developed and managed a social media campaign for a student club, increasing engagement by 80% and growing the follower base by 60% through targeted content and interactive posts.
- Created high-quality promotional media across video, photo, and graphic design formats to support recruitment and sponsorship efforts

Lake Washington High School Gymnastics Team - Team Captain | Kirkland, WA

Sep. 2023 - Jun. 2024

- Led and motivated teammates as Team Captain, promoting teamwork and accountability
- Organized and coordinated team fundraising initiatives to support program expenses and equipment
- Represented the team in communication with coaches and school leadership, coordinating events and activities
